

**RABBI'S MESSAGE FOR THE
DAYS OF AWE**

Shanah Tovah to one and all!

Gloria and I would like to wish our TABI family a Shanah Tovah - a happy and healthy 5785. We hope that this New Year will bring you peace, fulfillment, good health and many blessings for your family.

This has certainly been a challenging year for the Jewish community. The heinous attack of October 7th impacted us all in so many ways. The loss, the devastation, the grief and anger were all palpable throughout this past year. The response of the Israeli government and military brought an onslaught of anti-Israel sentiment and a raise in antisemitism here in American and throughout the world.

Locally, we have seen many of our interfaith efforts grind to a halt due to anti-Israel and anti-Jewish sentiment on behalf of some of our interfaith partners.

At the same time, new interfaith partners have come forward to express support and to join in a brand-new interfaith initiative – the Mayor's Interfaith Advisory Council which I chair with Pastor Adrian Brooks. New programs, new partnerships and meaningful new relationships are being formed.

Our TABI members are not of uniform beliefs when it comes to Israel and the war against Hamas. There are deep divisions within our Synagogue and deeper divisions in the greater community.

All this means that this year, this New Year, we all need to work even harder to strengthen our relationships, build strong coalitions and mend broken fences. There is too much division around us; our Synagogue needs to be a place of healing, comfort, support and unity.

We are blessed with a wonderful congregation, a beautiful building, strong lay leadership, and a vibrant history. My hope is that in 5785 we can leverage all those blessings and more and make this a truly meaningful New Year for one and all.

Shanah Tovah,

Gary A. Mazo, Rabbi
