

ANNUAL GIVING

Annual Giving from our membership is an important percentage of our annual operating budget and is essential to running TABI. We budget each year based on the annual commitment of our members. At a minimum, member contributions help cover security, insurance, cleaning, staffing, utilities, and hosting events and holidays. It costs in excess of \$450,000.00 to operate TABI in a single calendar year. Your support of our community on an annual basis is vital to our success as a congregation.

Members are required to keep in good standing by making an annual donation. We ask that you make a commitment that feels good and represents your passion for TABI. Please return the below form to the office and we will email a statement of annual giving based on your commitment.

Thank you in advance for your support and as always, please reach out with any questions or concerns!

B'Shalom,
